ANSWERED QUESTIONS

GROUP OR INDIVIDUAL COURSES?

- * IN GROUP COURSES, CANDIDATES GET TO SHARE TIME FOR SOME EXERCISES, ALSO GIVES THE ADVANTAGE TO LEARN FROM EACH OTHER
- * IN ONE ON ONE COURSE THE DURATION OF THE COURSE DEPENDS ONLY AT THE SPEED OF EACH PERSON'S PROGRESS. WITH ALREADY SOME EXPERIENCE WITH THE TUNNEL THIS VERSION MIGHT SUIT BETTER.

CAN I HAVE MORE FREE DAYS DURING MY COURSE?

UNFORTUNATELY, NOT FOR THE CLASS A COURSE. TRAININGS ARE DAILY WITH A HIGH FREQUENCY OF REPETITION OF EACH EXERCISE. THIS WAY WE ARE TRAINING THE MUSCLE MEMORY, THAT WILL CREATE THE REFLEXES THAT WILL HELP US TO QUICKLY REACT IN CRITICAL SITUATIONS

HOW MANY ORGANIZATIONS CERTIFIES TUNNEL INSTRUCTORS?

THERE IS TWO

- T.I. / TUNNEL INSTRUCTOR
- IBA / INTERNATIONAL BODYFLIGHT ASSOCIATION

THEY BOTH USE SIMILAR METHODOLOGY, THE MAIN DIFFERENCE IS THAT THE T.I. IS USED IN EUROPE, AND IBA IN UNITED STATES

IS IT POSSIBLE TO WORK ONLY WITH THE CLASS A LICENSE?

YES BUT, WIND TUNNELS ARE GETTING BIGGER, MORE POWERFUL AND MORE POPULAR THAT HAS THE EFFECT OF BIGGER DEMAND FOR INSTRUCTOR TRAINING. THE MORE RATINGS ACHIEVED THE MORE VALUE THE INSTRUCTOR HAS. WITH ALL THE RATINGS YOU WILL BE ABLE TO PROVIDE SERVICES TO THE FULL RANGE OF COSTUMERS

WITH PREVIOUS EXPERIENCE CAN MY COURSE BE SHORTER?

YES, WE ARE NOT GOING TO HOLD BACK ANYONE'S LEARNING. IF YOUR PROGRESS IS FASTER IT IS POSSIBLE TO FINISH THE COURSE IN SHORTER DURATION, OR VICE VERSA. THE TIMES GIVEN ARE ORIENTATIONAL AND EVERY COURSE IS VERY INDIVIDUAL.
